

## **Anthony & Partners welcomes Terri Johnson as Firm Administrator**

Anthony & Partners is proud to welcome Terri Johnson as our new Law Firm Administrator! Terri has a proven track record of excellence in all aspects of law firm administration, and brings over 12 years of experience to the Firm.

Terri recently was awarded the “2017 ALA Suncoast Member of the Year” award. She has been a chapter board member for the past 2 years and a member of the Association of Legal Administrators for over 6 years. In connection with the distinctive honor of being named Member of the Year, Terri received a scholarship to attend the ALA Conference & Expo in National Harbor, Maryland, at which 12 members from the local Suncoast Chapter were in attendance. These amazing law firm administrators attended 3 days of seminar sessions focused on various topics pertinent to law firm management and growth, including human resource management, finance, diversity, branding and marketing, interviewing techniques, and much more. Keynote speaker John Quinones, of the popular television show “What Would You Do?” spoke on the challenges of diversity as a young migrant child and his desire and passion to become the journalist he is today. We are proud of Terri and her many accomplishments, and grateful for the new skills and knowledge she’s brought back from the ALA Conference to share with our attorneys and staff.

Anthony & Partners, LLC is proud to support Terri and the local ALA Suncoast Chapter. For more information about the ALA, please visit <https://alasancoast.org/> or find the “Suncoast Chapter Association of Legal Administrators” on FaceBook.
